

A woman with long blonde hair, wearing a white ribbed sweater and light-colored pants, is sitting on a light-colored sofa. She is holding a white mug in her right hand and an open book in her left. She is smiling and looking down at the book. The sofa has a brown blanket draped over the back and a patterned cushion in front of her. To the left, there is a round wooden coffee table with a small potted plant and a stack of books on it. In the background, there is a tufted armchair and a window with sheer curtains.

Heated Vest

Model: VHV01

Material	Polyester & spandex softshell fabric with brushed fleece lining
Controller	3 Heating Gears
Heating element	9V / 18W, Carbon fiber
Heating zone	3 heating zones
Battery pack	9V 10000mAh, match Type-C charging cable
Color	Dark gray

A first-person perspective shot of a person's feet resting on a dark metal table. The person is wearing dark blue pants and two pairs of socks. The left pair is grey with a white geometric pattern, and the right pair is a solid dusty rose color. Both socks have a small black square logo with a white 'G' on the heel. To the right of the feet, a small fire burns in a metal fire pit on the same table. The background shows a blurred landscape of dry, orange-brown vegetation under a warm, golden light, suggesting a sunset or sunrise. A black metal railing is visible in the foreground.
